Hello Boys and Girls!

Do you know what to do in an emergency? My friend, Madame Mouse, is going to teach you! Just color the pictures and read her helpful tips so you can be prepared. I want to make sure you and your family are safe and know how to find help when you need it. It's a great idea to get Red Stick Ready! Will you do that for me?

Your friend,
Mayor-President Sharon Weston Broome

FAMILY READY PLAN

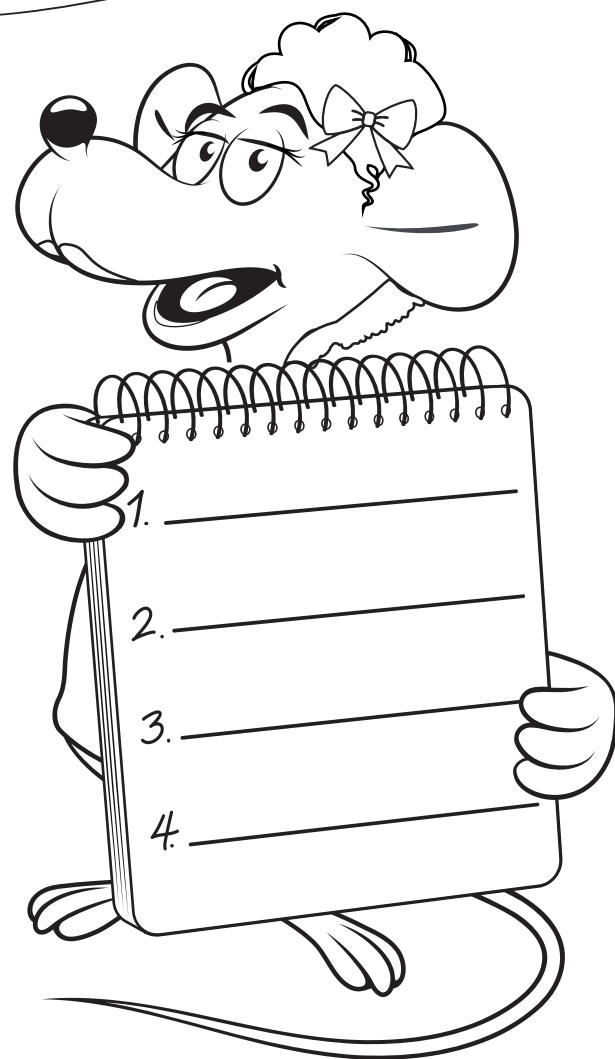

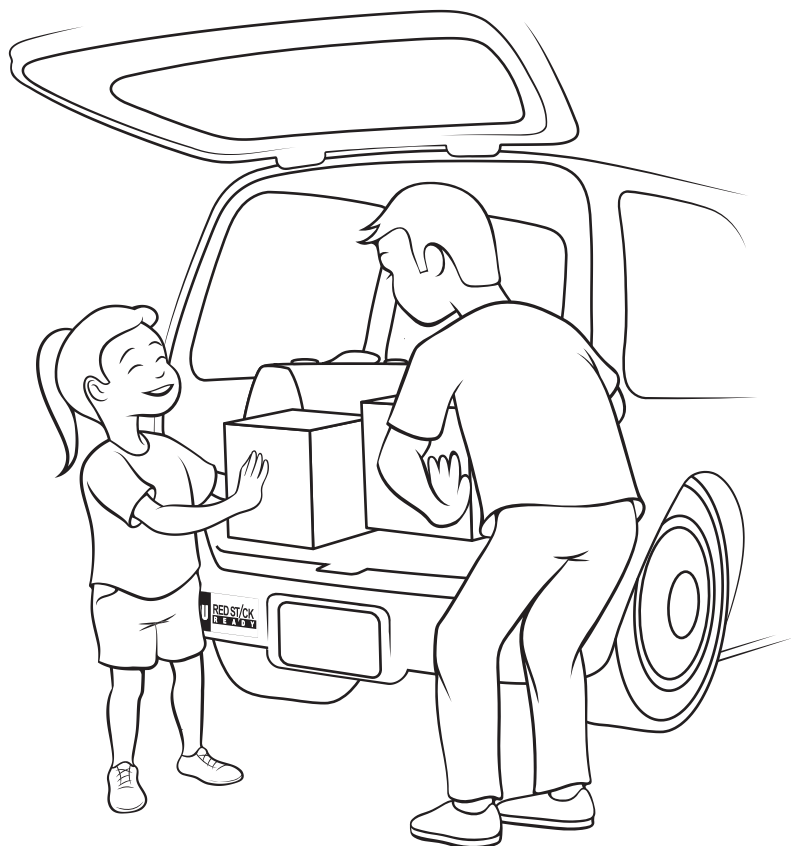

**Now let's make a Family Plan! If we must leave
our home in a hurry, where can we meet? At
a neighbor's, by a tree, or a lamp on the sidewalk!**

PLACES TO GO

**Go to a Neighbor or Family Member.
Before we leave, we must know the place
where we will go to stay and be safe.**

Make your list of places to go!

READY KIT

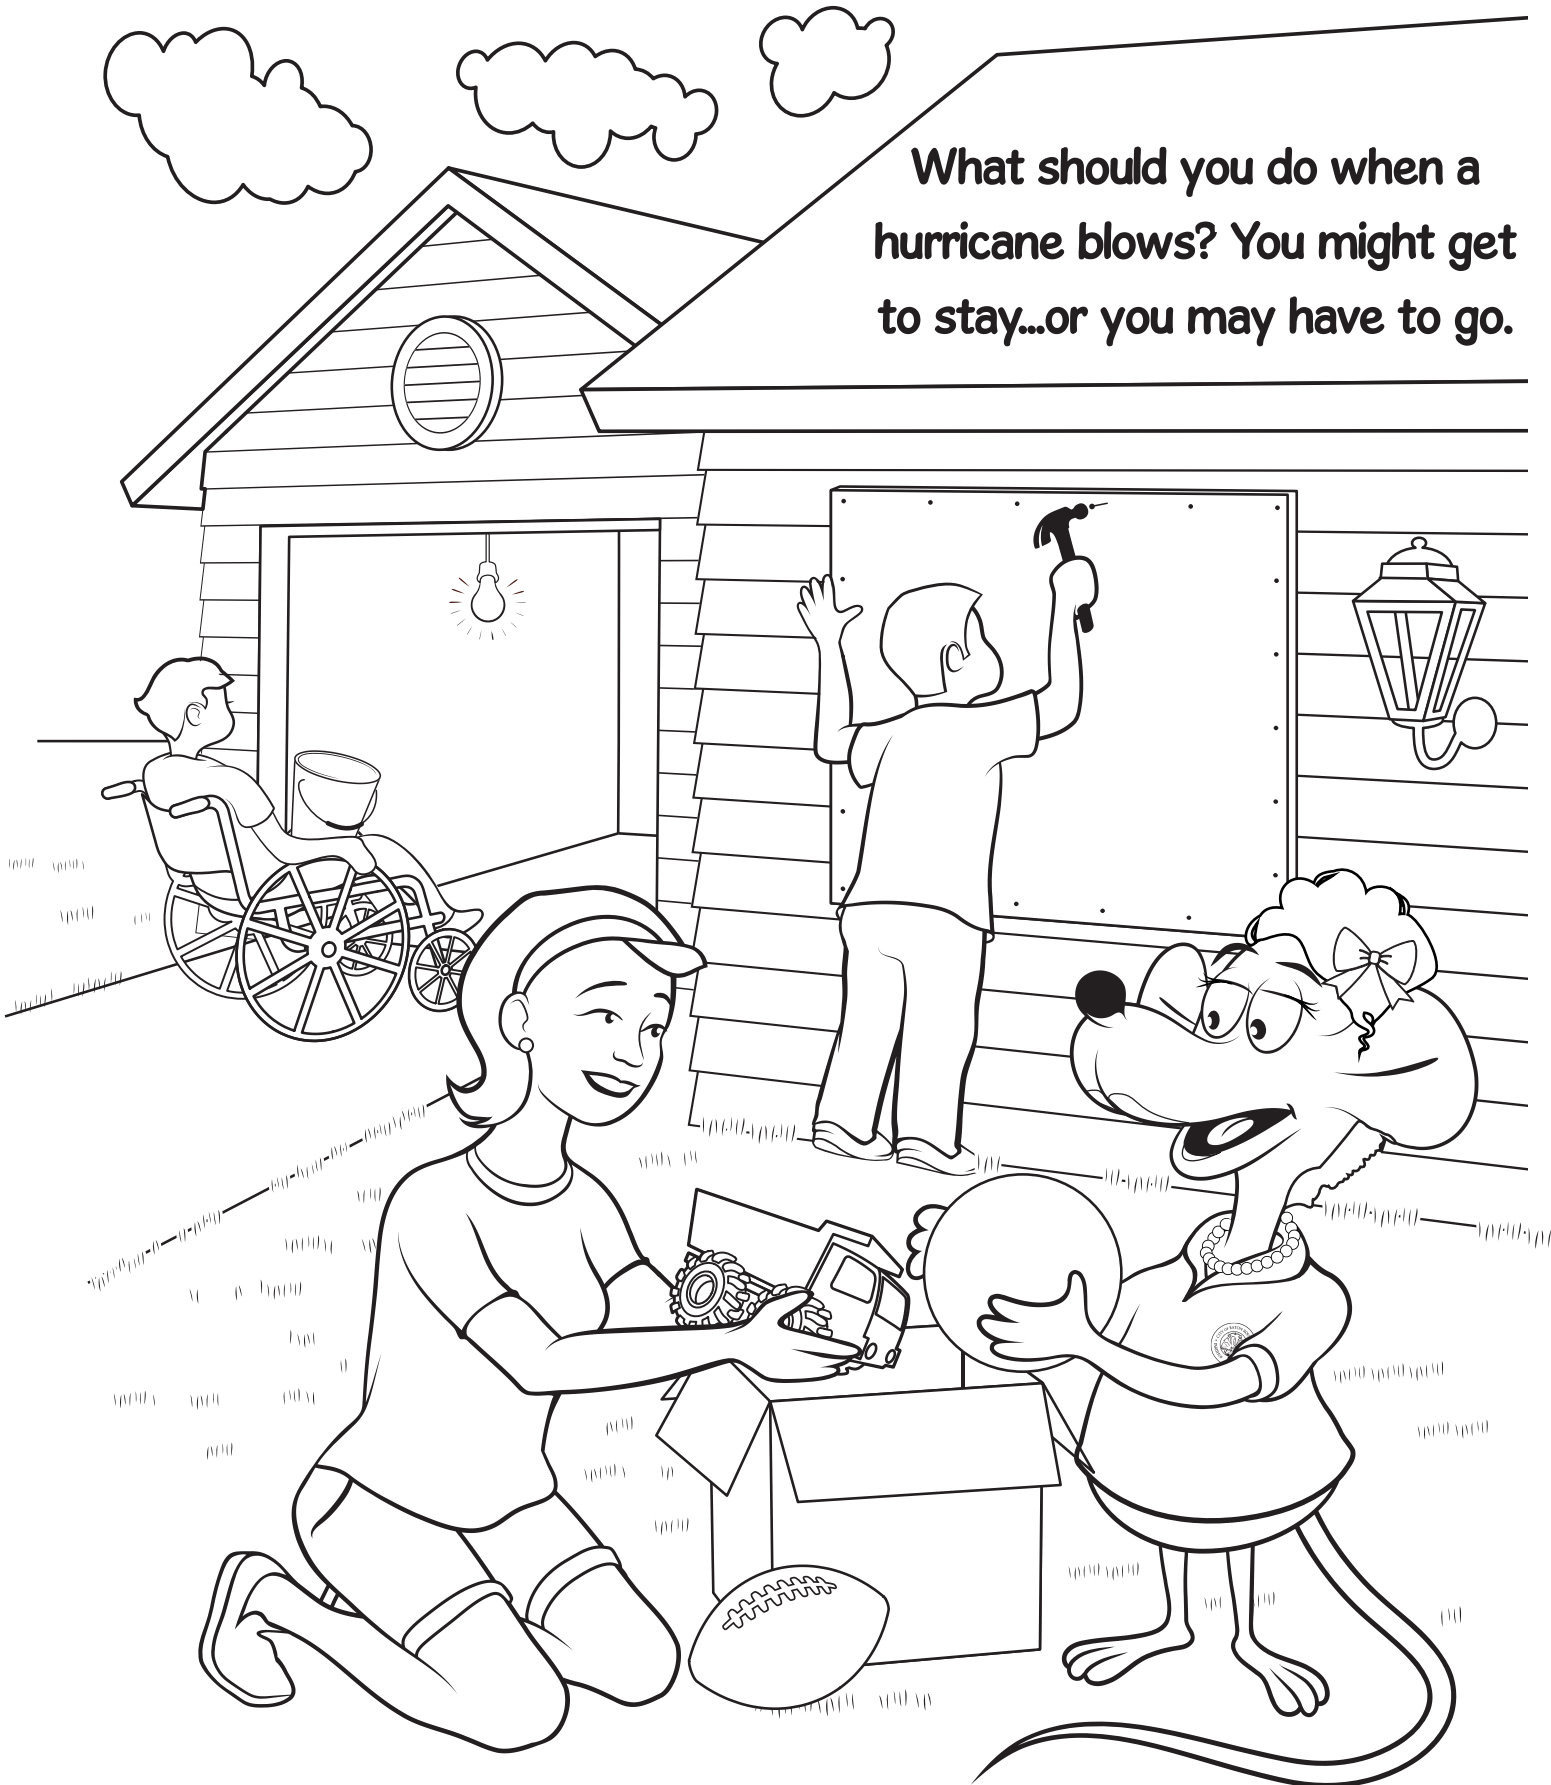

Let's make a READY KIT, here are some items you should put in it.

What else would you put in your kit?

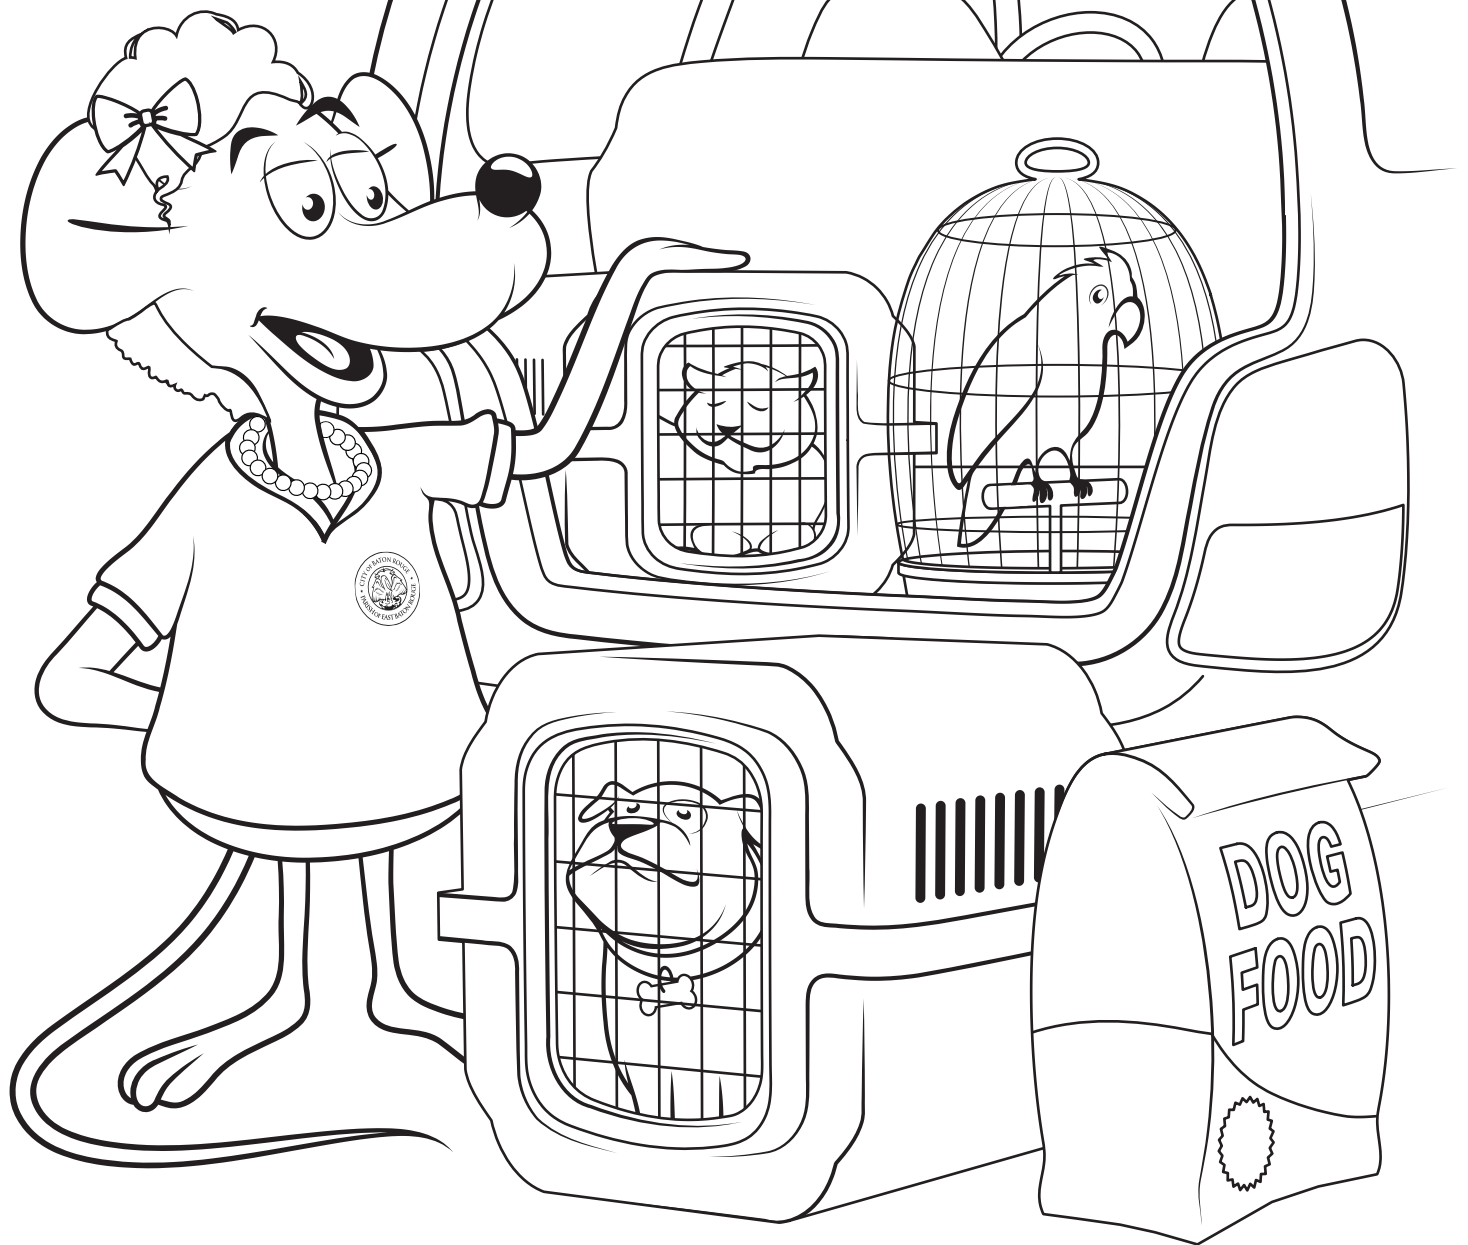

HURRICANES

What should you do when a hurricane blows? You might get to stay...or you may have to go.

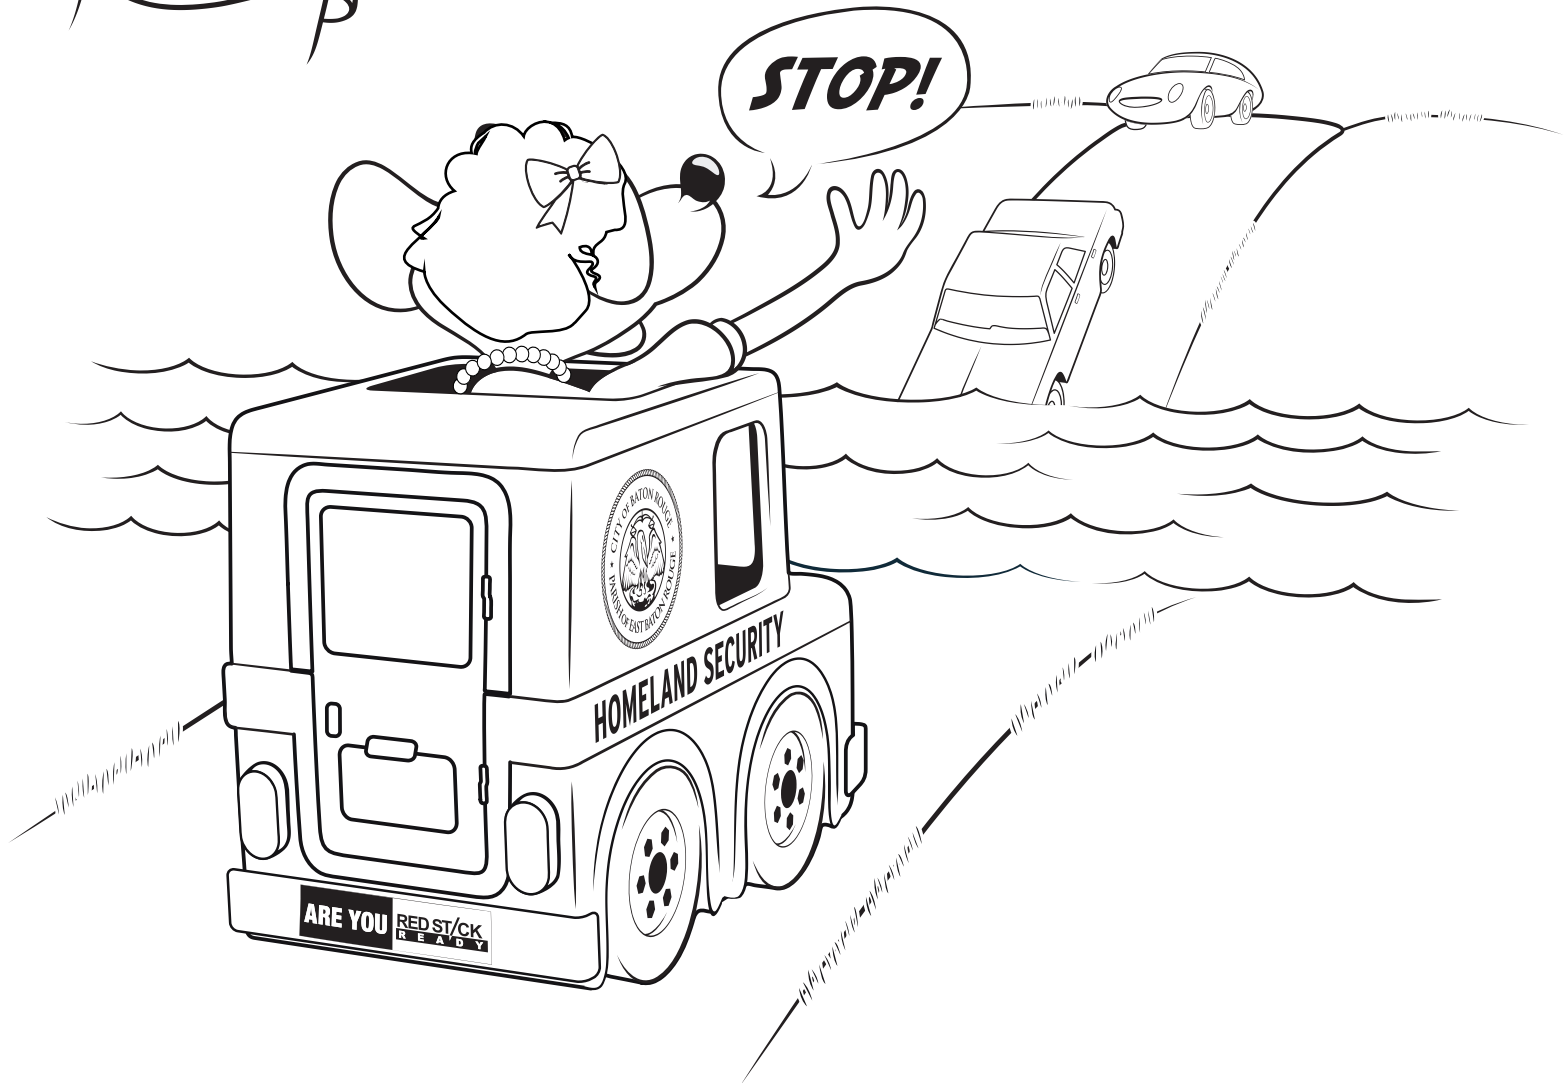

PETS

Make your pets
a part of your
Ready Plan.

FLOODS

When the TV says,
“FLASH FLOOD TODAY”
remember that inside is
where you should stay!

TORNADOES

When you hear the tornado alarm, do one of these things to be safe from harm!

Go inside to a safe place

Hide under something heavy

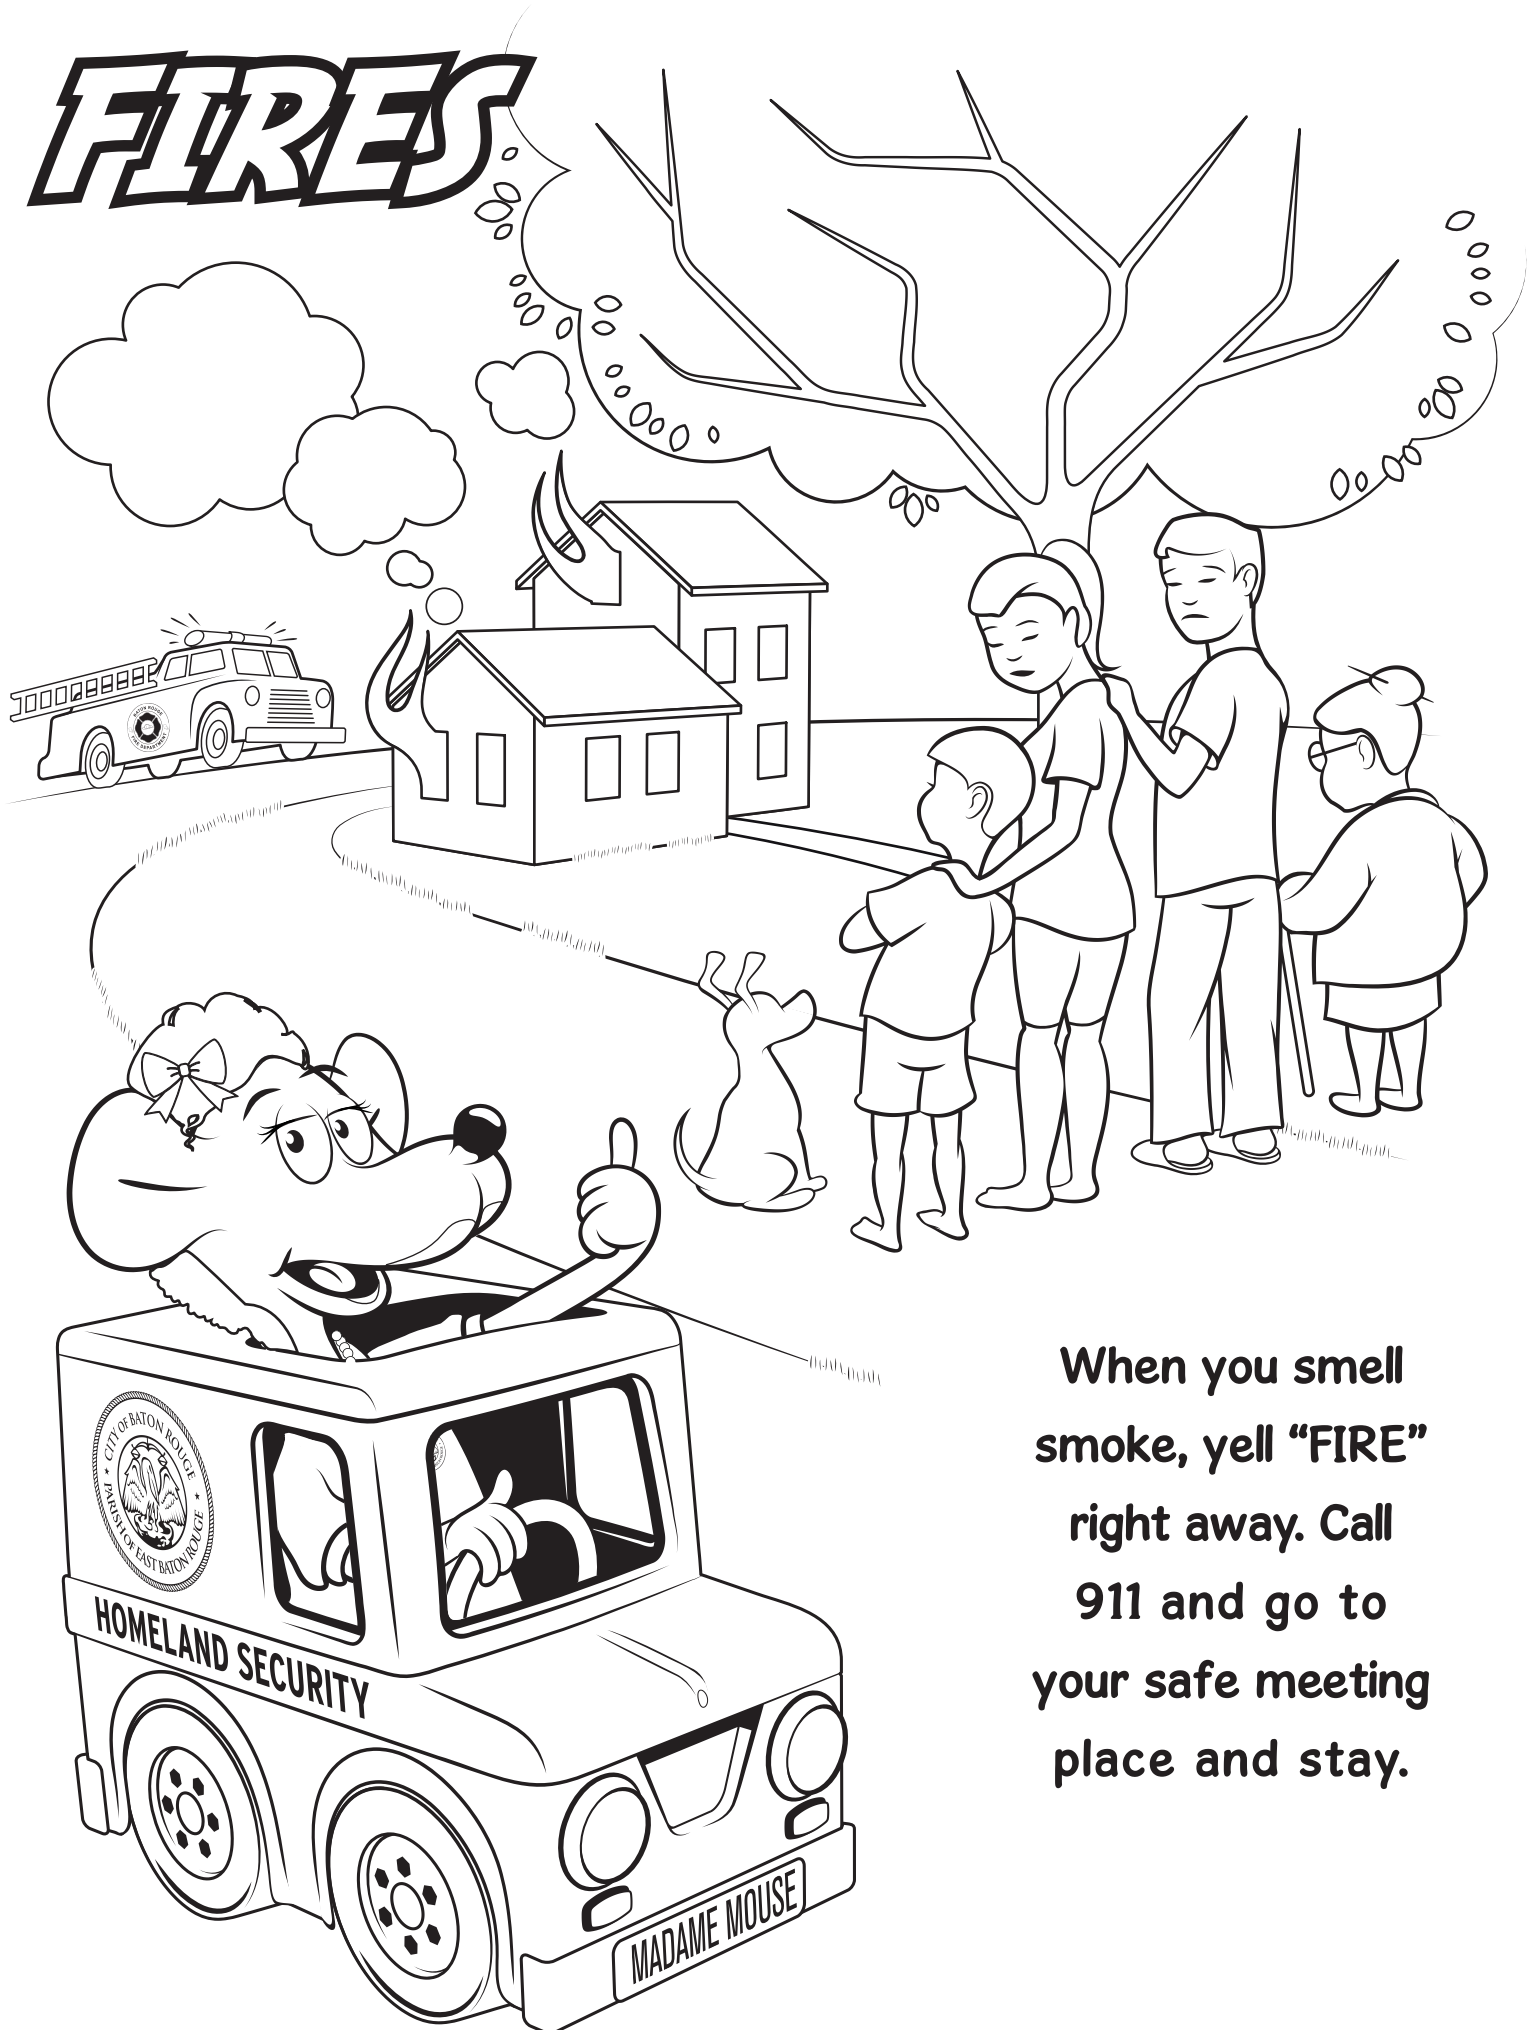

Leave your car and lie in a ditch

A Door Frame

FIRE

**When you smell
smoke, yell “FIRE”
right away. Call
911 and go to
your safe meeting
place and stay.**

GERMS

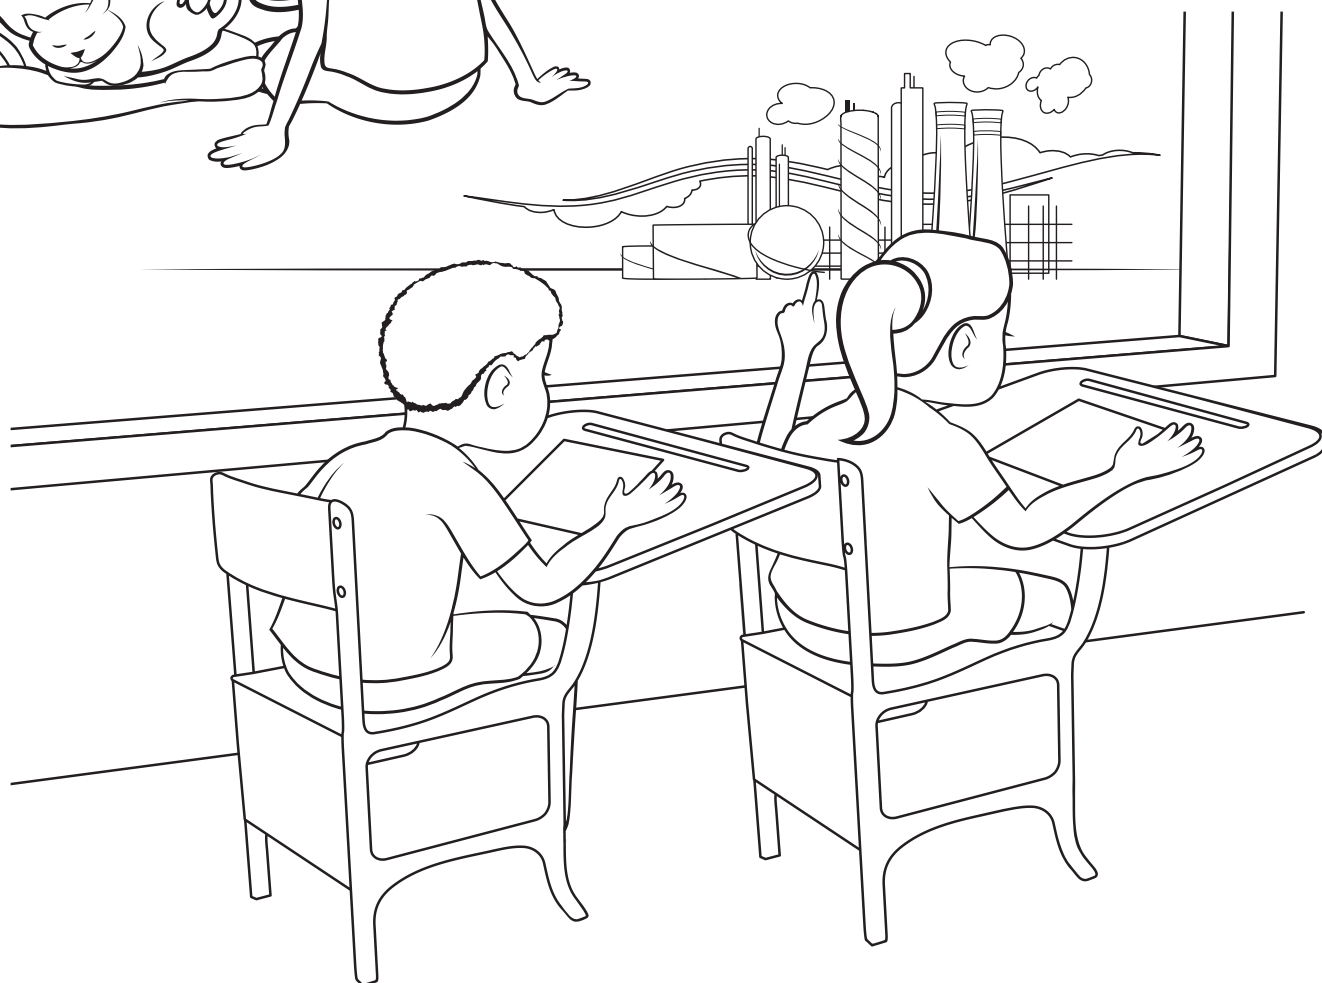

**If you're sick, keep your
germs to yourself!
Let Madame Mouse give
you some help!**

SHELTER IN PLACE

Sometimes bad things get into
the air, seal windows and
doors and shelter there.

If you hear an alarm while
you're at school, listen to your
teacher and follow the rules.
